CALUMET PEOPLE TOURING EUROPE

Some Are Thought to Be Near Scene of Hostilities

The European war has been the means of marooning a large number of Americans in Europe, and among these are many from the copper country, although it is difficult to secure the names of all from this county who are sojourning in the countries now at war.

As usual there is the contingent of school teachers who are spending their vacations abroad. Three from Calumet, Miss Bertha M. Goldstein, Miss Alice J. Horroon and Miss Clara G. Fitzpatrick, members of the high school faculty left Calumet at the end of the last school term for Paris, France. Of these Miss Horroon alone expected to return to Calumet, Miss Fitzpatrick having resigned in order that she might accept a position in the west and Miss Goldstein having been granted a year's leave of absence in order that she might continue her studies in Paris. This party was heard from this week, when postcards mailed at Bern, Switzerland, on July 14 were received here. As they had contemplated spending most of their time in Paris, it is generally believed they are in that city now.

Mr. and Mrs. John F. Chynoweth of Laurium are touring in Europe. They were in London on July 24, according to cards received here today and contemplated a trip to Scotland, after which they planned to return to Calumet the last of this month.

Joseph Rock of Sixth street, who left about two weeks ago for an extended visit in Italy, arrived at Messina this week, according to word received here and probably will experience little difficulty in reaching home when he is ready to depart, for Italy is not at war.

There are several copper country people in the British Isles, among them James Glasson, Red Jacket night watchman, and wife, who are visiting with friends in Cornwall, England. Capt. William Wier, his daughter Miss Martha, a teacher in school district No. 2, Mrs. William Stenmon and Miss Lizzie Dunlop all of Laurium, are visiting in Scotland and as the period of their visit had about expired, they are ready to leave for America, but probably will have to wait until transportation facilities are available.

James I. Dolan, a carrier of the Calumet postoffice force, who recently was married at Nenagh, Tipperary county, Ireland, to Miss Elsie Flannery, left Queenstown last Friday, with his bride, to return to Calumet. It was expected he would arrive in New York yesterday or today and it is felt they will experience little difficulty in finding.

Capt. Ben Anderson and family, Joseph Opland and Matt Horechewyck of Calumet, are in Norway, where they went to participate in the big centennial celebration, but is felt they are far enough removed from the scene of hostilities to be perfectly safe, although doubtless they will experience some difficulty in securing transportation facilities for their return journey.

Among other Americans in Norway are Mr. and Mrs. Olof Lannest, Henry Kivisik and family, Olaf Opland and Sivert Opland.

BOTH HANDS ARE BURNED.

Calumet Young Man Comes in Contact With Live Electricity.
Jay Hall, son of Capt. and Mrs. Hall of Hecla location, is confined to his home with two badly burned hands, an injury he sustained Wednesday evening, during the severe electrical storm, through coming in contact with live current at the No. 13 shaft of the C. & H. Mr. Hall and a companion, James Tobin, were disoriented with the way the lights were working and attempted to ascertain if any local trouble was responsible. A test globe was placed in the socket, and Mr. Hall turned on the switch. Just as he did so it seems the fuse burned out and a blinding flash filled the room. Both hands were in contact with the current and were badly burned.

Wednesday evening's storm was something of a phenomena, in that while the thunder and lightning were very severe in Calumet, they were unaccompanied by rain.

SOME TUG OF WAR.

The Calumet and Hecla band boasts of some tug-of-war team, composed of John Lucas, August Torrence, Bat Hunsdo, D. Lally, J. D. Bracco, Harry Johns, Ole Haltingby and Bill Trevenna. At the big picnic of the C. & H. clerks and the band at the Canal yesterday, the clerks challenged the band to a tug-of-war. The def was accepted and these seven men pulled a team of thirteen clerks and won handily.

A special meeting of Div. No. 2, A. O. H. will be held in the Auditorium of the Sacred Heart school, Sunday afternoon at 2 o'clock to complete arrangements for the coming convention. All members are earnestly requested to attend.

ELUDES OFFICERS AND GETS AWAY

Man Charged With Hold-Up Makes Good Escape

Charged with being the perpetrator of the hold-up, in which Nick Spohar of Centennial Heights was relieved of a bottle of whisky near the Mineral Range depot in Calumet, Lawrence Cane of Tamarac was arrested yesterday afternoon and arraigned before Justice Fisher. He practically admitted his guilt, but in order to put these admissions into the court record, his examination was set for August 19. While on his way to the Red Jacket jail in charge of Officer Paul Spohar, Cane made a clean getaway and has not been seen or heard from since. It is believed he has left town.

Just as the officer and prisoner reached the corner of Sixth and Oak streets, the crowd just leaving the Royal theater filled the walk and made it necessary for the two to pass through. While in the midst of the crowd, Cane jerked away, and made a dash for liberty. Although Officer Spohar saw him and gave pursuit, he was unable to overtake Cane.

ANTI-BOOZE MEN COMING SUNDAY

New U. P. Superintendent of the Anti-Saloon League

Grant M. Hudson of Detroit, state superintendent of the Anti-Saloon League and George A. Young, who recently was appointed to be upper peninsula superintendent, succeeding Rev. C. H. Rutledge of Ishpeming, who is now engaged in state work, will spend Sunday in the copper country. Both will assist at church services in the copper country towns on Sunday. Mr. Hudson speaking at the Calumet M. E. church Sunday morning and the Lake Linden M. E. church Sunday evening, while Mr. Young will speak at the Laurium M. E. church Sunday morning and the First Presbyterian church Sunday evening.

This is Mr. Young's first visit to the upper peninsula, and really is in the nature of a preliminary canvass to study the situation here. Mr. Young is at present engaged in Y. M. C. A. work in Ann Arbor, and does not assume active charge in the upper peninsula until September 1. He has not yet determined where he will make his headquarters, but it is felt likely, he will select some iron country town for his home, principally because of geographical advantages.

On Monday morning, Mr. Young will meet the anti-saloon workers of the Calumet district at a conference to be held in the Y. M. C. A. Plans for future activities in this district will be considered.

MISS ETHEL MAE KINSMAN ANSWERS FINAL SUMMONS

WELL KNOWN CALUMET YOUNG LADY IS VICTIM OF PROLONGED ILLNESS.

After an illness of about three months' duration, Miss Ethel Mae Kinsman, organist at the First Presbyterian church of Calumet for an extended period and well known in this city, passed away at an early this morning. Death occurred at the home of Mr. and Mrs. James MacKenzie, 529 Second street, Blue Jacket, where she had resided for several years.

The deceased was the daughter of W. C. Kinsman of Calumet. She was born in this city thirty-seven years ago and resided here practically all her life, having been graduated from the Calumet high school in the class of 1896 and then having completed a special course in music at Albion College. For a number of years past, Miss Kinsman has been engaged as a teacher of music in Calumet, and organist at the First Presbyterian church.

Miss Kinsman was a young woman of charming disposition and was a patient sufferer during her recent long illness. Although every effort was made to prolong her life, her ailment had progressed to a point where nothing could be found to stop its ravages at the time of its discovery. Almost from the first her case was hopeless.

Besides her father, W. C. Kinsman, the deceased is survived by the following brothers and sisters, Frank Kinsman, Mrs. Samuel Williams, Russell, George and Miss Myrtle, the latter being a student in the Cook County Hospital Nurses Training school of Chicago.

The funeral will be held on Monday afternoon at 1:30 o'clock, with a short service at the MacKenzie residence, and with services from the First Presbyterian church at 2 o'clock in charge of Rev. C. L. Adams of the First M. E. church and Rev. D. D. Stalker of the First Presbyterian church.

A Word to the Wise!

Whether your painting is an investment or an expense depends on what paint you buy.
Don't buy paint that has to be prepared by hand, in that case you pay extra for the painter's time in mixing. Don't buy cheap paint though ready mixed. You get just what you pay for, an inferior paint and inferior results.
NOXALL PAINT. The paint that covers best, goes the farthest, and gives longest and best service that is the paint for you to use. Every can guaranteed.
